

WALTER A. WOOD

NEW CENTURY BINDER

This binder has a world-wide reputation. In every grain growing country under the Sun it is said to be the best yet by all who use it or see it work. The features that appeal most to its users are:—lightness of draft; handiness of operation; durability of construction; ability to do perfect work in any kind of grain; accuracy and sure work of knotters; absence of neck weight and side draft. The New Century is the latest type of binder, made by the people who gave the world its first successful binder, and now give it its most successful one—a binder that will do work no other machine can do.

It is constructed on principles and from materials that insure more work, better work, longer life and reduced repair bills with less loss of time. We'd like to send you our free catalog describing it in full before you decide on which binder to buy.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, and these matters are ended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it until you are completely cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these matters are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowel absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

STOCK, CROP AND FARM NOTES.

—Harrodsburg Herald says: "At D. B. Chatham's sale last Friday, W. T. Robinson paid \$480 for a pair of work mules, and sold them at an advance of \$10 before he left the place."

—The outlook is decidedly unfavorable just now for average crops this year. Too add to bad weather conditions, there are too many sons of rest sitting back and doing nothing."

—Mr. W. E. Stillwell, of Chilesburg, Ky., writes that his Shorthorn cow, Crystal Waters, by Victor Waterloo, has dropped a heifer calf that is as white as snow. The calf is by Signet. Her dam has been returned to Signet.

—Statistics show that Garrard county is the largest hemp growing county in the United States, and Boyle county is second. There are 23,000 acres of hemp raised in the United States, and 20,000 of that acreage is found in Kentucky.

—At a meeting of tobacco growers of Montgomery county, held at Mt. Sterling, the following resolution was adopted: "That it is the sense of this meeting that it is useless to undertake to make a pool in this county for the pool of 1910 unless the District Board of the Burley Tobacco Society will incorporate the 75 per cent clause in the 1910 pooling pledge."

—Twenty thoroughbred yearlings from Clarence H. McKay's Kingston stud in Fayette left Thursday for England. Thirty from James R. Keene's Castleton Stud will go the same route on Saturday of this week. One hundred and twenty-five yearlings from James B. Haggin's Elmendorf Stud will be shipped to Argentine Republic. Four yearlings belonging to various small breeders were shipped to New York Friday to be sold at Sheepshead Bay.

—One of our successful turkey raisers keeps her young turkeys with their mother in the yard, where they have clean food and fresh water, until the dew is off the grass. Then they are given their liberty and watched so they do not get too far away, and are fed regularly that they may learn to stay near the buildings. They roost in the trees, which makes them both stronger and healthier; but when the weather gets very stormy and cold they are housed in at clean, dry building.

Two Counties Claim Jurisdiction

The grand jury of the present term of the Hardin Circuit Court in session at Elizabethtown has completed its work by returning an indictment for murder against Pink Hatfield, who is charged with the shooting of Ves Skees on Nolin River two weeks ago. Hatfield is at present in the Grayson county jail being under a \$2,000 bond by the County Judge of Grayson county to await the action of the Grayson grand jury at the September term of court.

The question of jurisdiction in the case between the two counties, Hardin and Grayson, is a most interesting and novel one. Skees was in a boat on Nolin River which is generally conceded to be the boundary line between the two counties, when the fatal bullet struck him. Hatfield was on the South and what is usually known to be the Grayson side of the river, when he fired the shot. However, an examination of Grayson's charter shows that the boundary is a line from the South fork of Meeting creek to Shaw's creek both adjacent streams.

It will be necessary under this provision to absolutely disregard Nolin river and make a survey of the line from Meeting creek to the south of Shaw's. Most people seem to think that the proposed survey will reveal the fact that Hatfield was in Hardin at the time he did the shooting.

In that event they show that the fatal shot was fired from Hardin, Hatfield will be taken to Elizabethtown and lodge in jail to await trial in November.

Banks On Sure Thing Now.

"I'll never be without Dr. King's New Life Pills again," writes A. Seeling, 647 Elm St., Buffalo, N. Y. "They cured me of chronic constipation when all others failed." Unequaled for Biliousness, Jaundice, Indigestion, Headache, Chills, Malaria and Debility. 35c at Oberdorfers.

New Laws.

Laws passed by the last Legislature are now in effect and complications may ensue. All acts passed by the last Legislature became laws at midnight last Tuesday, so far as they do not conflict with constitutional provisions. The first of the new laws to cause trouble is that doing away with special judges and the regular circuit judges to act where a judge is ill or disqualified. Gov. Willson is required under the new law to designate a regular judge who shall act in the place of disqualified officials. To find regular judges who are not holding

court at the time a vacancy occurs is what is puzzling the Governor. Another new law is that which provides that hereafter juries shall pass only on the guilt or innocence of the accused and shall not fix the time of punishment, neither is this fixed by the judge. He sentences the prisoner to the pen for a term running the least and greatest term allowed by law. The prisoner may be paroled after serving the least term and if he is not paroled he will serve the longest term allowed by law. There is a question as to whether this law applies to the trial of prisoners for a crime committed in

the past or whether it applies only to trials for crimes committed in the future.

Wets Win in Local Option Contest.

Judge Benton, in the Jessamine Circuit Court Wednesday, at Nicholasville rendered a decision in the matter of the local option contest case. He affirmed the decision of the contest board in sustaining the election. The local option election was held in Nicholasville February 15, the wets winning by thirty-five votes. The drys contested the election. The case will be taken to the Court of Appeals.

Why Not Own Your Own Home?

The Famous Old Bourbon Fair Grounds, at Paris, Ky., will be Sold in Building Lots on

Thursday, June 30,

1910, the Sale beginning at 2 o'clock.

47 Lots Will Be Sold—Don't You Want One?

The sub-division is not an experiment, already twenty houses have been built there and more are contracted for. Water mains have been laid, electric lights burn there every night; a fire hydrant is already there; Nineteenth street, running directly through this property has been macadamized and many concrete walks have been built. You don't have to develop this property, it is already developed.

The city of Paris is growing toward the South, and this sub-division is in South Paris. Remember it is close to the new railroad yards, where the Louisville & Nashville Railroad Company is putting in improvements costing over \$250,000. It is on the Paris and Lexington interurban and city cars pass each way twice every hour. What more can you ask for? If you don't want the trouble of building, we will sell at the same time and place two new cottages, with modern conveniences, in perfect repair, on Nineteenth street. These will suit the most fastidious. Also two small cottages on the Clintonville pike.

Every lot will be sold as advertised. A band of music has been engaged for the occasion and you are cordially invited to be present, whether you bid or not.

Every white person, man or woman, registering with the Secretary before the sale of the third lot will be given a number entitling the holder if present at the close of the sale, a chance as two ten dollar gold pieces, to be given to the two persons holding the lucky numbers.

Terms of sale are liberal and as follows: The purchaser has privilege of paying all cash; or one-third cash, and balance in one and two years with lien on property or purchaser can pay \$25 cash, and balance in monthly payments of \$10 each, until payments amount to \$100, when deed is to be made and lien reserved for balance due on lot, and payments continue at rate of \$10 per month. Remember the time and place.
